

## Exeter Township Little League Baseball Clinics

Exeter Township Little League will be conducting pre-season baseball clinics Exeter Little League players league ages 9-12. Kids will get the opportunity to tune-up their skills prior to practices starting with their respective teams. Participation at these clinics is OPTIONAL.

The goal is to instruct players on proper baseball fundamentals and to allow them the opportunity to start getting into baseball shape by throwing a ball around, taking some swings and getting back down to basics.

Dates, Locations, Times and slots for the different age groups are as follows:
